DIFFERENTIATORS

- Documented chain-of-custody transport with tamper-evident seals and direct-drive — no route-sharing, no unattended cargo
- Active SAM.gov with UEI and CAGE — ready for federal and state contract work
- Owner-operated: single accountable principal who performs and stands behind the work
- FuturoFreight proprietary dispatch and operations platform
- Corridor-focused: I-95 Eastern Seaboard coverage anchored by a DMV home base — fast response near the hub, scheduled and long-haul lanes up and down the coast
- Capital-disciplined model: earns first, scales on proven demand

PAST PERFORMANCE

Emerging firm — building initial performance record through commercial courier operations and prime subcontracting.
